

**LEHIGH VALLEY YOUTH SOCCER LEAGUE****Information For New Clubs/Teams**

The following is information regarding initial requirements for clubs/teams seeking entrance into the Lehigh Valley Youth Soccer League:

1. New clubs must submit a letter to the LVYSL Executive Director (address at bottom of page) requesting permission to join the league. In the letter, the club should describe the team or teams seeking entrance. The information should include team(s) level of play and history of success in previous leagues, tournaments, as well as any other information that can be used to determine proper divisional placement (Div 1, 2, 3, etc.) within the league. The letter should also include the reason that the club wants to play in the Lehigh Valley Youth Soccer League. Additionally, the letter should state that the club has regulation size fields to use as their home fields and provide written directions to these fields. **Members are expected to field teams in at least two operating divisions within the league and meet all criteria set forth in the league Constitution and Bylaws.** This letter will then be read and voted on at the next League meeting.
2. A performance bond of \$200.00 must accompany the above letter to show sincerity. This bond will be applied to the registration bond fee due at the time that Entrance forms are filed.
3. The following requirements must be met by all club teams in order to be eligible to play in LVYSL:
  - a. Due to increasing concerns regarding the number of Referees available for assignment to league games, new clubs must provide 1 new (to the League Referee Assignor's pool) referee for each team registered up to a total of five.
4. All clubs must be represented at the required number of monthly LVYSL meetings or they will incur a fine of \$10.00 for each missed meeting.
5. Clubs must submit Entrance forms and Registration materials that follow the instructions given with those documents and they must be submitted by the dates listed on the LVYSL Calendar. Please note that only rosters completed using the EPYS Registration software will be accepted by LVYSL.
