

2023-24 Referee Fees

(updated as of 8/16/2023)

* It is the Coach/Team Manager's responsibility to have the exact amount listed below for each game.

****REFEREES DO NOT MAKE CHANGE!**

* Pay the referee fees before the game starts.

* USYS/SCYS Leagues - Each team pays ½ (half) of the referee fees for each game.

* Each team will give the Center Referee what is listed in the "How to Pay Referees" in the chart below.

* If your team is playing an older team or in an older age group, then the older age group rules apply (this includes referee fees, game duration and ball size).
